

*Dear Members and Tutors,*

*Welcome to 2022. In line with government advice regarding schools, to avoid opening during the predicted peak of the Omicron wave and to allow more time for members to receive their COVID-19 boosters, U3A Ipswich & West Moreton will delay reopening for **indoor face-to-face classes** until **Monday February 7**.*

*Zoom and other classes can resume as planned by individual tutors.*

*Hopefully the start of Term 1 will be delayed by only two weeks but we will watch developments closely and notify you if the situation changes.*

*Stay safe. Please ensure you are double vaccinated (now mandatory for all U3A Ipswich & West Moreton members to attend face-to-face classes, and get your COVID booster as soon as you become eligible, and wear a mask when attending U3A classes.*

*Regards*
